

Truth-In-Savings

The Truth-In-Savings Act (T-I-S) is a section of the Federal Deposit Insurance Corporation Improvement Act of 1991. The National Credit Union Administration is charged with enforcing the act, which applies to all credit unions. The purpose of T-I-S is to promote and simplify comparisons among accounts at all financial institutions. T-I-S enables consumers to make informed choices and comparisons among competing claims of financial institutions by requiring disclosure of dividends/interest rates payable on these accounts and the fees payable on these accounts and the fees assessable against these accounts. It is the intent of Rivertown Community Federal Credit Union to maintain compliance with this federal law pertaining full disclosure regarding terms and conditions of all savings programs. The following disclosure information illustrates the various savings alternatives available at Rivertown Community Federal Credit Union.

Share Savings Account

Variable Rate Information: This is a variable rate account. The dividend rate and annual percentage yield may change based upon the determination of the Credit Union board of directors. Refer to the Rate and Fee Schedule for the most current rate information.

Nature of Dividends: Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

Compounding and Crediting: Dividends will be compounded quarterly and will be credited quarterly. For this account type the dividend period is quarterly, for example; the beginning of the first dividend period of the calendar year is 01/01/2005 and the ending date of such period is 03/31/2005. All other dividend periods follow this same pattern of dates.

Minimum Balance Requirements: To be a member and maintain accounts at our Credit Union you must purchase one (1) share in the Credit Union. The par value of a share in this Credit Union is \$5.00.

Balance Computation Method: The average daily balance method requires the application of a periodic rate to the average daily balance in the account for the average daily balance calculation period. The average daily balance is determined by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

Accrual of Dividends on Non-cash Deposits: Dividends will begin to accrue on the business day you deposit non-cash items (checks/drafts) to your account.

Transaction Limitations: During any statement period, you may not make more than six withdrawals or transfers to another account of yours or to a third party by means of a preauthorized or automatic transfer or telephone or instruction. No more than three of the six transfers may be made by a check/draft, or debit card, if applicable, or similar third party. If you exceed the transfer limitations set forth above in any statement period, your account may be subject to closure.

Fees: Refer to our Rate and Fee Schedule.
